 1134 ALENMEDE CRESCENT

DEPARTMENTAL RECOMMENDATION

That the Corporate Services and Economic Development Committee approve the sale of 1134 Alenmede Crescent to Laura Chartrand for the amount of \$105,000.00 pursuant to an Agreement of Purchase and Sale that has been received.

BACKGROUND

Regional Council, at its meeting of August 12, 1992 (Report 30, Item 30), authorized the acquisition of residential properties identified as being wholly or partially required for the West Transitway Extension Project. Properties along Burgess Avenue, Bellfield Street, Alenmede Crescent and Connaught Avenue were identified as those affected. These properties were recommended to be purchased in advance of need to avoid causing any undue hardships to affected homeowners. Eighteen residential properties along Alenmede Crescent were acquired and were rented in the interim. Four of these properties, less the transitway requirements, have been sold, thereby recovering a portion of the Region's initial cost.

The subject property is legally described as being the east part of Lot 20, Plan M177, City of Ottawa and is municipally known as 1134 Alenmede Crescent. It consists of a 1,460 square foot, 2 storey semi-detached residence. Pursuant to Regional Council's direction, the property was acquired in November of 1993, in advance of need, to avoid undue hardship to the owners.

Approximately 6 metres of the rear of the property will be retained for the future transitway and the property is being sold minus this requirement. The surplus as well as the requirement is shown

on the attached sketch. The prospective purchasers have been made fully aware of the permanent and construction easements that will be retained for the construction of the transitway.

This property, along with several others along Alenmede Crescent were declared surplus by Regional Council at its meeting of September 10, 1997. The property was listed for sale through the Real Estate Board of Ottawa-Carleton and resulted in an offer from Laura Chartrand in the amount of \$105,000. The offered price is comparable to the previous sales that the Region has approved in this locaton.

PUBLIC CONSULTATION

In accordance with existing polices, the availability of the property was circulated within the corporation to determine whether there was any interest in its use. No interest was shown. The property was subsequently listed with the Real Estate Board of Ottawa-Carelton on its multiple listing service.

FINANCIAL STATEMENT

This transaction represents a revenue of \$105,000 to the Corporation.

The offer is considered to be fair and reasonable and is recommended for acceptance.
